

ARISE 2025: Participant Application

ARISE

Applications are required to be supported by the applicants' organisation, the **ARISE** program is designed to benefit both the candidate's future and the organisation the candidate is employed by. The skills that will be developed by the candidate through the **ARISE** program will be able to contribute to the organisation's role in continuing to better the industry through highly regarded leadership.

The **ARISE** application requires the applying candidates details, an endorsement from the candidates manager and details of the organisations nominated mentor.

ARISE is exclusively limited to 30 early-career professionals aged 18-25 who are eager to develop their skills and explore diverse career opportunities within the industry.

The application can be completed directly through this webpage. Please note the online application must be completed all at once and does not have the ability to save for later. Applications close midnight 7th February 2025.

Full program information can be found [HERE](#). For any questions regarding the application or program please [contact us](#).
